Week III		Bean & Cheese Burrito	A Little Time and Effort Goes A long way!			
Hot Meal		WG Tortilla w/ Shred Chz, Lettuce, Chopped Cilantro & CKC Youza Sauce Flamas w/ Creamy Refried Bean Salsa Dip Fruited Applesauce, 100% Fruit Juice & Choice Milk	Cooking has always been an adventure to me, of course being a chef. Raising children and trying to appease to their palates adds more challenge. Good old hearty food on a cold winter's day can be nothing more than inviting even for the pickiest eater! Braised meats take a long time to cook, but in the end, it's worth all the effort. With a nice crusty baguette to top up the sauce, what more can the kids want?			
Hot Veg		Bean & Cheese Burrito	Bon Appetit Wolfgang
